ABOUT EARTH LIFE SOLUTION

At ELS Earth Life Solution, we are committed to produce our products that are **“GOOD FOR PEOPLE, AMINALS AND PLANET”**. All our products are made from plant-based ingredients using biodegradable formula that does not harm the environment and planet.

All our ingredients are non-toxic, pH balanced, cruelty free and vegan and are packaged in plastic packaging that are 100% recyclable. Our products will eventually become fertilizer that nurtures new plants. At production line, we monitor our water and energy consumption to maximize efficiency and minimize wastages.

OUR VISION

To create a more sustainable future for ourselves and future generations

OUR MISSION

To develop innovative eco-products that is effective, efficient and affordable

EARTH LIFE SOLUTION FOR HOUSEHOLD ENZYME CLEANING SOLUTIONS

ELS Earth Life Solution is a new generation of eco-friendly cleaning solutions for household cleaning, personal care and pet care. These versatile cleaners harness the power of enzymes to break down complex organic substances into simpler components, making them highly efficient across a range of applications.

OUR ENZYME PRODUCT LINE

HOUSEHOLD CLEANING SERIES

Our household cleaning products are made with biodegradable, baby and pet safe formulas with eco-friendly enzyme (natural fermented) that is able to breakdown grease, oil, and residue. It does not contain synthetic perfume and colorant and is free from chlorine, parabens, phosphate, and sulfate.

It can reduce water and energy consumption and is an environmental friendly option for your cleaning needs.

PERSONAL CARE SERIES

Our personal care products redefine your self-care routine. Each product in our range is formulated with 100% natural ingredients, ensuring a luxurious experience while being gentle on your skin and our planet.

It is cruelty-free, ensuring that no animals are harmed in the process and with a commitment to preserving nature, every ingredient is responsibly sourced and biodegradable, thus helping to reduce carbon footprint.

PET CARE SERIES

Our pet care products are specially designed to provide gentle, effective, and eco-friendly solutions for your beloved pets. Our Pet Shampoo is a unique blend of eco-enzyme technology and natural ingredients, leaving your pet's fur soft, shiny, and free from dirt and grime.

Our Pet Odor Eliminator is crafted to tackle the toughest pet odors at their source. This spray eliminates unpleasant smells effectively and naturally, leaving your home refreshed and inviting.
