## ELS HEAVY-DUTY DEGREASER

**ALL-  
PURPOSE  
APPLICATIONS**

ELS heavy-duty degreaser with its eco-friendly formulation designed to emulsify oil and grease, tailored to meet the demands of the oil & gas facilities, heavy industry, marine sectors, automotive, food & beverage industry, and defense applications.

### KEY BENEFITS

- Fast acting and penetrating
- Safe to use for engines, machineries, equipments and other parts of the vehicle, marine boat wash and etc
- Non harmful to glass and paintwork
- Effortlessly breaks down complex oils and industrial residues, ensuring thorough cleaning without compromising on efficiency

**Available in 1000ml (33.8 fl. oz.)  
and 5 litres (169 fl. oz.)**

**\*Available 20L (676 fl.oz.)  
and 200L (6760 fl.oz.)**

## ELS STAINS REMOVER

ELS stains remover formulated with biodegradable and free from harmful chemicals, can effectively clean and remove organic & non-organic dirt such as oil, fats, grease, blood & etc.

### KEY BENEFITS

- Compatible with many variety of surfaces, including fabrics, upholstery, carpets, tiles, and more
- Effectively remove stains without damaging the underlying surfaces
- Effectively remove stains without altering the original color or texture of fabrics and materials
- Easy-to-use applicator that allows for precise and controlled application

**Available in 1000ml (33.8 fl. oz.)**

## ELS ALL-PURPOSE DEGREASER

**"SAFE" FOR  
FOOD PROCESSING AREAS**

ELS all-purpose degreaser with its eco-friendly formula is the best to use for all cleaning and degreasing needs, be it at home, in industrial environments, or commercial spaces.

### KEY BENEFITS

- Can be used in kitchens, food preparation areas, and any industrial space where food is handled
- Ideal for industrial machinery, commercial kitchens, and household appliances
- Leave behind a clean and neutral scent
- Enhancing the overall ambiance of working space
- Eliminate stains easily and kill 99% germs

**Available in 500ml (16.9 fl. oz.)**

## ELS ENGINE DEGREASER

ELS engine degreaser is specially crafted for automotive enthusiasts, mechanics, and car owners who demand the best exceptional results for their engines to run smoothly and efficiently.

### KEY BENEFITS

- Gentle on engine components, including rubber, plastic, and metal parts with non-toxic and biodegradable cleaning solution
- Effectively clean and remove dirt, oil, fats, grease & etc
- Penetrate and dissolve the toughest grease and grime buildup
- Maintain optimal engine performance by removing buildup that can hinder airflow and cooling

**Available in 500ml (16.9 fl. oz.)**
